Romanians in Walsall

Be you!

No matter where you are,

No matter what you do,

Do not forget who you are!

Earth, Sky, Endless space
is the perfect image.

You might look either
warm or cold for others –

You are Romanian!

Be happy and stay
healthy,

And if you live in Walsall,

Away from family and
friends,

You will find your place
here:

You are not alone!

We are Romanians,

And we are Walsall.
