

Teodora Albu

Be Nature

Nature empowers souls,
That cannot find goals.
In any place you go
Green inspires you to know:
What beautiful means to the
soul.

Whatever you are,
However you feel
Natures dares
To understand your tears.

Be open!
Be wild!
Be brave!
....and be child,
Of nature, of course.

Because She is the Mother
Of souls.
Be you, be nature!
